SHOSHANA – Memoirs of Shoshana Shoubin Cardin

During her more than 40-year career as a volunteer in the Jewish community and beyond – a career that continues today – Shoshana Cardin participated in redrafting the Maryland State Constitution, helped American women gain access to credit and greater financial security, opened the way for Jewish emigration from the Soviet Union, and – speaking truth to power – reminded the world that anti-Semitism is unacceptable. This memoir presents a portrait of the complete woman – wife and mother, daughter and sister, professional volunteer and national figure – demonstrating that character is the basis of leadership. Illustrated with more than 100 images drawn from extensive archives, this volume chronicles a lifetime of service.
