

# Cardin Association of Parents, Teachers and Students

## Volunteer Sign-Up Sheet

The purpose of the Cardin Association of Parents, Teachers and Students is to serve as a representative of the Cardin student body in addition to providing a sense of community among the parents, students, faculty and administration. CAPTS supports the school by providing assistance with student activities, organizing social events and assisting the administration and faculty. We also provide funding for the activities of CAPTS to fund enhancements to the school for which funds are not provided by the school's budget.

Your help and active participation (both in planning and attendance) is greatly appreciated. Please indicate which activity you would be able to help with-you can choose more than one. We thank you in advance for your support and assistance.
