

## *The Jacob Sokoloff Scholarship Fund*

### **Propelling The Shoshana S. Cardin School into the 22nd Century**

The Shoshana S. Cardin School is delighted to formally announce a generous gift from Mrs. Ethel Blumenfeld in memory of her beloved brother Jacob Sokoloff. The unprecedented contribution of \$50,000 annually for the next 90 years recognizes and honors his commitment to Jewish education and provides scholarship assistance for deserving students to study in an environment that respects all Jewish traditions.

Inspired by the innovative dual curriculum of The Shoshana S. Cardin School and understanding her brother's passion for day school education, Mrs. Blumenfeld felt that this was a most appropriate way in which to honor him. His legacy will help to provide a Cardin education for students well into the 22nd century and for this we are most appreciative.
